

Kit Rae is coming to Ottawa, Canada promoting (The Swords Of The Ancients)

Kit Rae is one of the foremost fantasy/collectible weapon designers in the industry with a worldwide following for his unique fantasy weapons. He was the lead designer for United Cutlery for over fifteen years, responsible for design of the Legends in Steel, Samurai 3000, Steel Apocalypse, Blades of Atlantis, Volkoth, and the Swords of the Ancients collections. His knives and swords have appeared in blockbuster television shows such as the "The X-Files", "Star Trek: Deep Space Nine", "Buffy the Vampire Slayer", and numerous films such as "Spider Man 2", "Star Trek: Nemesis", and "The Chronicles of Riddick". In addition to designing such famous collectible weapons as the Indiana Jones Khyber Bowie for Lucas film and the Sword of Darkness for United Cutlery, Kit Rae has also created and supervised many licensed weapon replicas from films and television shows such as "Blade/Blade Trinity", "Hellboy", "Total Recall", "Mortal Kombat", "The Mask of Zorro", "Heroes", and over fifty products for "The Lord of the Rings Trilogy". Kit is also the replica design supervisor for many weapons from the video gaming industry, such as the Frostmourne sword from World of Warcraft, the Red Queen sword from Devil May Cry, and the Blades of Chaos from God of War. His own sword designs have also appeared in several video games!
